ABOUT ME

"A highly motivated Civil Engineer, graduated among the top 10 of the class from Al-Nahrain University. Possesses strong practical site supervision experience gained through family-owned contracting projects. Skilled in structural analysis software and modern surveying instruments, aiming to deliver high-quality engineering solutions in infrastructure and building construction."

EDUCATION

- B.Sc. in Civil Engineering
- Al-Nahrain University | 2022 - 2026
- Academic Rank: Ranked among the Top 10 students of the graduating batch.
- Graduation Project: Structural Analysis and Design of a Multi-Story Building using ETABS.

SKILLS

- Engineering Software: AutoCAD, ETABS.
- Site & Surveying Tools: Total Station, Level Device.
- Office Productivity: Microsoft Office Suite (Word, Excel, PowerPoint).
- Core Competencies: Site Supervision, Quantity Surveying, Concrete Works, Project Planning.

LANGUAGE

- Arabic**: Native.
- English**: Professional Working Proficiency.

EXPERIENCE

- Site Engineer (Supervisor)
- Family Contracting Business | 2024 - Present
- Supervised structural and finishing works for multiple residential buildings and private houses in Baghdad.
- Managed on-site labor, ensured quality control according to engineering specifications, and monitored material delivery.
- Conducted site layouts, leveling, and alignment tasks using Total Station and Level devices.
- Reviewed and interpreted architectural and structural AutoCAD drawings on-site.

PROJECTS

- Graduation Project**: Structural Analysis & Design (2026)
- Performed full structural modeling, loading calculations, and seismic analysis for a multi-story building using ETABS, ensuring compliance with international design codes.

COURSES & CERTIFICATIONS

- Site Management & Safety (OSHA) Basics | 2025
- Advanced Structural Design using ETABS | 2025
- Quantity Surveying & Cost Estimation | 2026
